Nathan – 9:00 am on Wednesday August 5<sup>th</sup> works for us. Remember to be here a little early to get through our security.

Will there be anyone other than you and Greg at the meeting for Sunnyside?

Suzanne, Martin, and I will for sure be at the meeting for EPA. One or two other EPA folks may sit in on the meeting.

Thanks

Richard,

How about Wednesday at 9:00 a.m.?

Also, I understand that the technical folks are having a call tomorrow morning to see about expeditiously addressing some of the key issues in the EPA work plan comments. Sunnyside would really like to get going on the Mayflower drilling / sampling next week as scheduled with its contractors and I hope the call will facilitate this outcome.

Thank you,

Nathan
